CHAIRMAN'S *message*

The year under review has been a satisfying one. Numerous new activities and programmes were introduced.

With the expansion of our service boundary, our programmes and activities are now extended to the Clementi division. Currently, we also service Yuhua SMC and Bukit Batok SMC. This year, our Pupil Breakfast Scheme (PBS) is providing assistance to 700 students in 25 schools. In addition, we have launched the community-based S.T.A.M.P. and S.T.R.I.V.E. which are now progressing in their pilot run.

I wish to express my deepest appreciation and gratitude to our Founding Adviser, Mr Lim Boon Heng, our Special Adviser, DPM Mr Tharman Shanmugaratnam, Coordinating Minister for Economic and Social Policies, and MP for Jurong GRC, and our Advisers, Mr Desmond Lee Ti-Seng, Senior Minister of State for Home Affairs and National Development, and Mr Ang Wei Neng, MPs for Jurong GRC, for their visionary guidance, support and their presence in Loving Heart events.

Loving Heart is grateful to its partners Thye Hua Kwan Moral Society and Cheng Hong Siang Tng, and the following corporate sponsors; NTUC FairPrice Foundation Limited, ACI Singapore – The Financial Markets Association, Shell Petroleum Pte Ltd, Shimano (Singapore) Pte Ltd, Makino Asia Pte Ltd, South West Community Development Council, for their continuing valuable support.

In this report, we present highlights of events in our school-based and community-based programmes.

I also sincerely thank our Advisory Councillors, Trustees and the Management Committee for their immense contributions in moving Loving Heart forward.

Together, we can do even more in the coming years. We must never be complacent and always strive to do more and better in serving the emerging needs of the residents and students.

Pupil Breakfast Scheme (PBS)

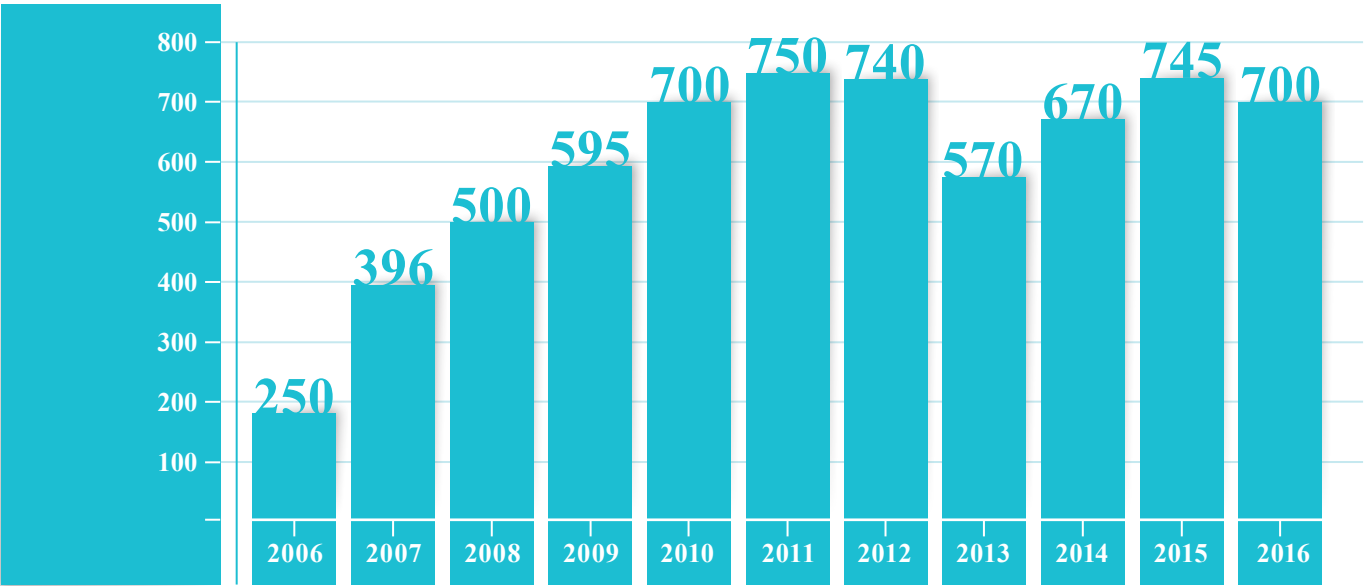

Pupil Breakfast Scheme was started in 2006 to ensure proper nutrition was provided to school-going children at the start of the day. Beneficiaries were given coupons of \$1 for primary level and \$1.50 for secondary level which they can use at school canteens for their meals for 200 school days.

Serving Jurong GRC, Bukit Batok SMC and Yuhua SMC, Pupil Breakfast Scheme complements the assistance provided by Ministry of Education Financial Assistance Scheme (MOE-FAS) and the Straits Times Pocket Money Fund to ensure the community needs of the society is met.

At present, Loving Heart Multi-Service Centre (Jurong) is serving 11 primary schools, 12 secondary schools and 2 special needs schools. A total of \$180,000.00 will be disbursed to 700 recipients throughout the year.

S.T.A.M.P and S.T.R.I.V.E

Birth in 13 February 2006, our Sports, Tuition and Mentoring Programme (S.T.A.M.P) is into its 10th year.

It aims to reach out to at- risk children and youths within the school setting, by taking holistic approach in the area of academics, physical and social skills through three components; sports, tuition and mentoring.

Moving in direction for more sustainable results, S.T.R.I.V.E was launched in March 2011. It is a 3-year programme of enhanced S.T.A.M.P, which allows the schools and Loving Heart to monitor their performance over a period of 3 years.

Under both programmes, students will attend 3 sessions weekly; each covering 1 component.

Loving Heart served a total of 9 schools in 2016. The total participation is 176 students from 8 schools, excluding the pilot programme in Yuhua Secondary school which will be launched in July 2016.

Tuition

The tuition for S.T.A.M.P comprises of weekly English and Mathematics sessions conducted by experienced and professional tutors. They provide added support in academics to students and also stiffen learning taught in school.

As for S.T.R.I.V.E, the tuition integrates an “Enhanced Learning Programme, E.L.P”, formulated by Boys’ Town to foster skills-based learning to assist students in studying more effectively.

Mentoring

The aim is to impart positive morals and values through entertaining games and activities in these group mentoring sessions. It encourages healthy socio-emotional development for students. Volunteer Mentors are mandated to undergo a training course conducted by Boys’ Town professionals. The training gears the volunteer mentors with the fundamental skills to conduct the mentoring sessions with their mentees more effectively.

S.T.A.M.P & S.T.R.I.V.E Achievement Award

Loving Heart came up with the annual S.T.A.M.P/ S.T.R.I.V.E Achievement Award in 2012 to recognize the accomplishment of deserving students enrolled into the programme. The intention is to spur the students involved to remain motivated and improve themselves. Every teacher-in-charge is to nominate a maximum of 3 students who had undergone the programme. Selection of the awardees is based on significant improvements in their academics and their consistency in good school conduct. Winners of the awards will receive a Certificate of Achievement, cash rewards and Popular vouchers.

As the name stated, this programme follows our S.T.A.M.P programme with components of sports, tuition and mentoring but targeted at students in the community who are not covered under the school-based S.T.A.M.P/ S.T.R.I.V.E.

In-line skating, Mathematics tuition and group mentoring were provided in this pilot programme.

Loving Heart Multi-Service Centre and Activity Centre were used for mentoring and tuition sessions whereas the sports sessions were held at the covered activity plaza between Blk 312 and 316.

Free Tuition

Loving Heart Multi-Service Centre (Jurong) Free Tuition was established in 2005. As the tuition costs rised in the market, Free Tuition served to assist less-priviledged children residing in Jurong GRC, Bukit Batok SMC and Yuhua SMC, with their revision to keep up with their peers.

The sessions take place every Saturday from 10 am to 12 pm. Primary 1 to Primary 4 students gathered at Block 312, while Primary 5 to Secondary 2 students were tutored at Block 316. Students are being taught by volunteers, ranging from students, working adults and retirees.
